Re: Case No. 2007-00505-Application of Crown Communications, Inc., for Certificate of Convenience and Necessity to Construct Wireless Communications Facility at Dale Hollow State Park

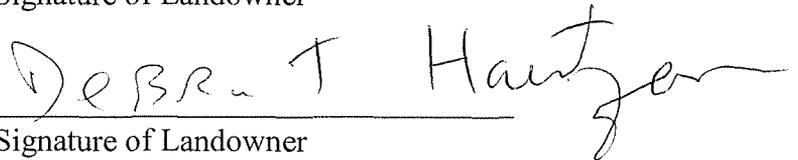

Dear Ms. O'Donnell:

I am in receipt of the Notice from Crown Communications, Inc., of the filing of the application before the Public Service Commission to permit the construction of a Wireless Communications Facility at Dale Hollow State Park. As the owner of property adjoining Dale Hollow State Park, I want to inform you I fully support the granting of the application of Crown Communications, Inc., for the Certificate of Convenience and Necessity in Case No. 2007-00505, authorizing the construction of a Wireless Communications Facility at Dale Hollow State Park.

Sincerely,
